CSI ALPHA FUND SERIES
- CSI CHINA-HONG KONG LEADERS FUND

REPORT OF THE MANAGER

To our Investors and Friends,

The CSI China-Hong Kong Leaders Fund (the "Sub-Fund") under the CSI Alpha Fund Series (the "Trust") was launched in late July 2009 with the investment objectives to achieve long-term appreciation of the unit price through capital growth and income appreciation by investing in a diversified portfolio of at least twenty three blue chip equities, and to a limited extent, ADRs and GDRs, that are listed primarily on the Hong Kong Stock Exchange and/or any international securities exchanges. The full details of our Investment Objectives and Investment Policy are available in the Trust Prospectus and Fund Specific Prospectus which you will need to read and understand before you consider making any investment in our Sub-Fund.

The Sub-Fund has been approved by the Immigration Department to be included as an eligible Collective Investment Scheme ("CIS") under the Capital Investment Entrant Scheme.

We are pleased to report that by early 2015 we have 13 distribution agreements in place for the Sub-Fund.

We thank you for your continued interest and support.

Sincerely yours,

.....
CITIC Securities International Investment Management (HK) Limited
22 April 2015

Investments are subject to investment risks, fund value may go up as well as down and past performance is not indicative of future performance. Please refer to the Trust Prospectus and Fund Specific Prospectus for details including the risk factors. CITIC Securities International Investment Management (HK) Limited is the issuer of this report. This document has not been reviewed by the Securities and Futures Commission.

Independent auditors' report**To the Trustee and Manager of****CSI Alpha Fund Series - CSI China-Hong Kong Leaders Fund**

(A sub-fund of CSI Alpha Fund Series, an open-ended unit trust established as an umbrella fund under the laws of Hong Kong)

We have audited the financial statements of CSI China-Hong Kong Leaders Fund (a sub-fund of CSI Alpha Fund Series (the "Trust") and referred to as the "Sub-Fund") set out on pages 6 to 30, which comprise the statement of financial position as at 31 December 2014, and the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Trustee's and Manager's responsibility for the financial statements

The Trustee and the Manager of the Sub-Fund are responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards, and for such internal control as the Trustee and the Manager determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In addition, the Trustee and the Manager also have a responsibility to ensure that the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the constitutive documents of the Sub-Fund (the "Constitutive Documents") and the disclosure requirements specified in Appendix E to the Code on Unit Trusts and Mutual Funds of the Securities and Futures Commission of Hong Kong (the "SFC Code").

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. Our report is made solely to you, as a body, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement and whether the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Constitutive Documents and the disclosure requirements specified in Appendix E to the SFC Code.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Trustee and the Manager, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent auditors' report (continued)

To the Trustee and Manager of

CSI Alpha Fund Series - CSI China-Hong Kong Leaders Fund

(A sub-fund of CSI Alpha Fund Series, an open-ended unit trust established as an umbrella fund under the laws of Hong Kong)

Opinion

In our opinion, the financial statements give a true and fair view of the financial positions of the Sub-Fund as at 31 December 2014, and of its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards.

Report on Other Legal and Regulatory Requirements

In our opinion, the financial statements have been properly prepared in accordance with the relevant disclosure provisions of the Constitutive Documents and the disclosure requirements specified in Appendix E to the SFC Code.

CSI ALPHA FUND SERIES
- CSI CHINA-HONG KONG LEADERS FUND

NOTES TO FINANCIAL STATEMENTS

31 December 2014

1. THE SUB-FUND

CSI Alpha Fund Series (the "Trust") was constituted as an umbrella unit trust established under the laws of Hong Kong pursuant to a trust deed dated 25 June 2009 (the "Trust Deed") entered into between CITIC Securities International Investment Management (HK) Limited (the "Manager") and BOCI-Prudential Trustee Limited (the "Trustee").

CSI China-Hong Kong Leaders Fund (the "Sub-Fund") was constituted as a separate sub-fund of the Trust on 24 July 2009. The Sub-Fund is an open-ended unit trust and is authorised by the Securities and Futures Commission of Hong Kong (the "SFC") under Section 104(1) of the Securities and Futures Ordinance and is required to comply with the Code on Unit Trusts and Mutual Funds established by the Securities and Futures Commission of Hong Kong (the "SFC Code").

A separate sub-fund can be created and established to which assets and liabilities attributable to the relevant sub-fund applied. A separate class of units relating exclusively to each sub-fund will be issued. In addition, the Trust has two other sub-funds, CSI RMB Income Fund and CSI RMB Short Maturity Bond Fund which have been authorised by the SFC. Authorisation by the SFC does not imply official approval and recommendation.

The assets of each sub-fund shall form part of that sub-fund and be segregated from the assets of all other sub-funds, and such assets shall not be used to discharge directly or indirectly the liabilities of or any claim against or amount payable out of any other sub-fund.

The investment objectives of the Sub-Fund is to achieve long-term appreciation of the unit price through capital growth and income appreciation by investing in a diversified portfolio of at least twenty three blue chip equities, and to a limited extent, ADRs and GDRs, that are listed primarily on Hong Kong Stock Exchange and/or any international securities exchanges and/or other recognised securities markets that are open to the international public and on which such securities are regularly traded, subject to the investment restrictions applicable to the Sub-Fund.

As at 31 December 2014, 70.89% (2013: 82.72%) of the redeemable units of the Sub-Fund were held by CSIAM (CL) Investments Limited, which is considered as the parent of the Sub-Fund.

2.1 BASIS OF PREPARATION

The financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRSs") issued by the International Accounting Standard Board ("IASB") and the relevant disclosure provisions specified in the SFC Code. The financial statements have been prepared on a historical basis, except for financial assets at fair value through profit or loss that have been measured at fair value.

The financial statements are presented in Hong Kong dollars ("HK\$"), which is the functional currency of the Sub-Fund, and all values are rounded to the nearest dollar, except where otherwise indicated.

NOTES TO FINANCIAL STATEMENTS

31 December 2014

2.2 CHANGES IN ACCOUNTING POLICY AND DISCLOSURES

The Sub-Fund applied for the first time certain amendments, which are effective for annual periods beginning on or after 1 January 2014. The nature and the impact of each new amendment is described below:

Offsetting Financial Assets and Financial Liabilities – Amendments to IAS 32

These amendments clarify the meaning of 'currently has a legally enforceable right to set-off' and the criteria for non-simultaneous settlement mechanisms of clearing houses to qualify for offsetting and is applied retrospectively. These amendments have no impact on the Sub-Fund, since none of the entities in the Sub-Fund has any offsetting arrangements.

Annual Improvements 2010-2012 Cycle

In the 2010-2012 annual improvements cycle, the IASB issued seven amendments to six standards, which included an amendment to IFRS 13 *Fair Value Measurement*. The amendment to IFRS 13 is effective immediately and, thus, for periods beginning at 1 January 2014, and it clarifies in the Basis for Conclusions that short-term receivables and payables with no stated interest rates can be measured at invoice amounts when the effect of discounting is immaterial. This amendment to IFRS 13 has no impact on the Sub-Fund.

2.3 STANDARDS ISSUED BUT NOT YET EFFECTIVE

The standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Sub-Fund's financial statements are disclosed below. The Sub-Fund intends to adopt these standards, if applicable, when they become effective.

IFRS 9 *Financial Instruments*

In July 2014, the IASB issued the final version of IFRS 9 *Financial Instruments* which reflects all phases of the financial instruments project and replaces IAS 39 *Financial Instruments: Recognition and Measurement* and all previous versions of IFRS 9. The standard introduces new requirements for classification and measurement, impairment, and hedge accounting. IFRS 9 is effective for annual periods beginning on or after 1 January 2018, with early application permitted. Retrospective application is required, but comparative information is not compulsory. Early application of previous versions of IFRS 9 (2009, 2010 and 2013) is permitted if the date of initial application is before 1 February 2015. The adoption of IFRS 9 will have an effect on the classification and measurement of the Sub-Fund's financial assets, but no impact on the classification and measurement of the Sub-Fund's financial liabilities.

Annual Improvement 2011-2013 Cycle

These improvements are effective from 1 July 2014 and are not expected to have a material impact on the Sub-Fund. They include:

IFRS 13 Fair Value Measurement

The amendment is applied prospectively and clarifies that the portfolio exception in IFRS 13 can be applied not only to financial assets and financial liabilities, but also to other contracts within the scope of IFRS 9 (or IAS 39, as applicable).

NOTES TO FINANCIAL STATEMENTS

31 December 2014

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial instruments

(a) Classification

The Sub-Fund classifies its financial assets and financial liabilities into the following categories in accordance with IAS 39 *Financial Instruments: Recognition and Measurement*.

Financial assets and liabilities held for trading

A financial asset is classified as held for trading if they are acquired for the purpose of selling and/or repurchasing in the near term. This category includes equities and derivatives and investment in funds. The assets are acquired principally for the purpose of generating profit from short-term fluctuations in price. The Sub-Fund does not apply hedge accounting.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. The Sub-Fund includes in this category amounts relating to amounts due from brokers and other short-term receivables.

Other financial liabilities

This category includes all financial liabilities, other than those classified as held for trading. The Sub-Fund includes in this category amounts relating to an amount due to a broker and short-term payables.

(b) Recognition

The Sub-Fund recognises a financial asset or a financial liability when it becomes a party to the contractual provisions of the instrument.

Purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Sub-Fund commits to purchase or sell the asset.

(c) Initial measurement

Financial assets and financial liabilities at fair value through profit or loss are recorded in the statement of financial position at fair value. All transaction costs for such instruments are recognised directly in profit or loss.

Loans and receivables and financial liabilities (other than those classified as held for trading) are measured initially at their fair value plus any directly attributable incremental costs of acquisition or issue.

NOTES TO FINANCIAL STATEMENTS

31 December 2014

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Financial instruments (continued)

(d) Initial measurement

Financial assets and financial liabilities at fair value through profit or loss are recorded in the statement of financial position at fair value. All transaction costs for such instruments are recognised directly in profit or loss.

Loans and receivables and financial liabilities (other than those classified as held for trading) are measured initially at their fair value plus any directly attributable incremental costs of acquisition or issue.

(e) Subsequent measurement

After initial measurement, the Sub-Fund measures financial instruments which are classified as at fair value through profit or loss, at fair value. Subsequent changes in the fair value of those financial instruments are recorded in "Net change in unrealised gains/(losses) on financial assets and financial liabilities at fair value through profit or loss". Dividend income elements of such instruments are recorded separately as dividend income.

Loans and receivables are carried at amortised cost using the effective interest method less any allowance for impairment. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, as well as through the amortisation process.

Financial liabilities, other than those classified as held for trading, are measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, as well as through the amortisation process.

(f) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised where the rights to receive cash flows from the asset have expired; or the Sub-Fund has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either: (a) the Sub-Fund has transferred substantially all the risks and rewards of the asset or (b) the Sub-Fund has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Sub-Fund has transferred its rights to receive cash flows from an asset (or has entered into a pass-through arrangement), and has neither transferred nor retained substantially all the risks and rewards of the asset nor transferred control of the asset, the asset is recognised to the extent of the Sub-Fund's continuing involvement in the asset. In that case, the Sub-Fund also recognises an associated liability. The transferred asset and associated liability are measured on a basis that reflects the rights and obligations that the Sub-Fund has retained.

The Sub-Fund derecognises a financial liability when the obligation under the liability is discharged, cancelled or expires.
